

TACKLING HEALTHCARE INEFFICIENCIES

Streamline Patient Access & Boost Brand Visibility

Are you a pharmaceutical brand looking to connect with healthcare providers and improve patient access to your therapies?

CareTria company offers a unique opportunity to sponsor your brand within our comprehensive portal, empowering providers and simplifying the complex process of patient access.

Imagine your brand prominently featured within a platform that providers rely on daily to ensure smooth and efficient patient care.

CareTria's Provider Connect platform provides that connection.

Here's how CareTria Provider Connect platform empowers providers – and your brand:

Real-Time Medical & Pharmacy Benefit Verifications

Eliminate the guesswork. Providers gain instant insights into patient coverage, streamlining the pre-authorization process and reducing administrative burden. This means faster access to your therapies for patients.

Unmatched Prior Authorization Success

Benefit from our >95% PA approval rates within an average of just 3 business days. This translates to quicker patient starts and increased utilization of your brand.

Centralized Manufacturer Enrollment Forms

Simplify enrollment with easy access to all necessary forms in one convenient location. Reduce paperwork and accelerate the patient journey to your therapy.

365 Days of Proactive Patient Management

Our platform supports practices year-round, ensuring consistent coverage and approvals are documented. This promotes long-term adherence and maximizes the impact of your therapy.

Point-of-Care Coverage Confirmation

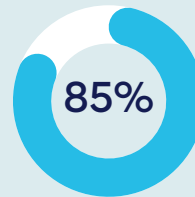

Providers can confirm active coverage prior to each infusion or dispense, minimizing disruptions and ensuring uninterrupted treatment. This reinforces brand loyalty and strengthens patient-provider relationships.

Streamline Patient Access & Boost Brand Visibility

Sponsoring your brand within the CareTria Provider Connect platform offers:

- **Direct Engagement with Healthcare Providers:** Reach your target audience where they're actively seeking solutions for patient access challenges.
- **Enhanced Brand Visibility:** Increase awareness and position your brand as a leader in patient support.
- **Improved Patient Access to Your Therapies:** Facilitate a smoother, faster process for patients to receive the treatments they need.
- **Data-Driven Insights:** Gain valuable information about patient access trends and track the impact of your sponsorship.

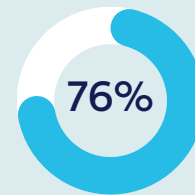

Investigations for both Medical & Pharmacy Benefits - in real-time.
